The Dr Comrs of Bangalore, Kolar, Shimoga & Chitaldrug were requested to expedite the D. Police Reorganization Scheme returns & to explain the delay brought to notice re. the same.

The Dr Comrs, Bangalore, explains the delay by saying that returns prescribed are voluminous requiring to be compiled from the Taluk records,

that several returns had to be returned for want of proper attention,

that the transfer of Mr Sharma Row from the Dt affected the work much,

that Mr D.A. Ballard who has now been entrusted with the work has been able to get out the returns of 2 amildars and

that he has been urging the work on and adds

that he is sending a copy of his to the Insp Genl of Police.

The Shimoga Dr Comrs intimates in reply that the returns were sub to the D. Genl on the 8th Oct 1896.

The Chitaldrug Dr Comrs intimates in reply that the information was supplied to D Genl on 13 October 1896.

Sir,

With reference to the Government Proceedings No. 4319-23 / 4456 dated 26th Instant, I have the honor to state that the statement called for by the Inspector General of Police in Mysore in connection with the village Police Re-organisation scheme is a Voluminous Return, which has to be compiled from various records in the Taluk Kacheris. A copy of the form set is attached for inspection.

2. The 1st requisition of the Inspector General was received on 1st December 1894, and as usual, orders were sent to the Amildars for the necessary statistics. It does not appear that the Returns received from the

Superior Officials of the Talukas the attention that was required, for the statements submitted by them were so imperfect and faulty that they had to be returned, in some cases more than once.

3. On the receipt of repeated Reminders from the Inspector General, I gave the preparation of the statements to Mr. Assistant Commissioner Shanmon, who was instructed to gather the data therefor at first hand from the Talukas, as he had to visit them in the course of his Excise work. His transfer from the District was ordered on 24th August last, and as Mr. Ballard came in as Police Assistant Superintendent just then, I have instructed him to take up the work. He has not yet been able to do much, for only 2 Amildars have up to date submitted the returns required. Strict Reminders have been issued to the others, and every endeavour

will be made to send them with the least practicable delay and with as much completeness as possible.

4. I beg at the same time to submit that the Police Office consists of only 4 hands, and they are all so much occupied with the daily work that the interposition of special work of the above kind cannot fail to interfere with the former.

5. I will forward a copy of this letter to the Inspector General of Police for information in reply to his Reminders.

I have the honor to be,

Sir,

Your most Obedient Servant,

Dy Commissioner.

SIR,

With reference to your (X) Copy put up docket No. 1198/R.F. 52-97 dated 22nd June 1898, (X) [illegible] I have the honor to state that the reports from Bangalore and Kolar were received on the 29th March 1897 and 21st July 1898 respectively. But the work in Connection with the scheme had been attended to by the officers

specially deputed for it: Mr. Kavalkar had tabulated the heads under which information was thought necessary and called for statements from the Districts in the enclosed form. Mr. P. Srinivasa Rao drew up an elaborate memo, which does not appear to have been approved by Mr. Madhava Rao who has not, however, left any record of his views. Even the clerk in charge of the work was transferred to the Kadur District in January 1898. Under these circumstances every one in the office is new to the subject.

With the limited number of—

hands in the office and the heavy work of Compiling the annual returns &c before me, I do not see my way to depute any one to take up and finish this special work. I would therefore request that Mr. C. Srinivasa Rao who has apparently studied the subject may be deputed with a special establishment for a short time to enable me to submit my scheme or that the files may be transferred to the Plague Commissioner who may be able to readily dispose of the question with the help of Mr. Bava Rao and one or two additional Clerks.
